Information for Exhibitors

DASC 2021 will bring approximately 300 avionics and avionics systems practitioners together in San Antonio, Texas. Sponsored by both the AIAA and the IEEE, the world's largest professional association for the advancement of technology, DASC 2021 combines a robust and comprehensive exhibits program, lectures on the latest avionics and avionics technology, sessions that allow the interaction with leaders in the field, and a social program that will allow all delegates to take advantage of San Antonio's cultural attractions that are close to the venue's prime location.

The DASC 2021 exhibits program is closely integrated with the technical program. Coffee breaks and sponsors reception will take place in the Exhibits Hall, ensuring maximum exposure for exhibitors. Exhibitors also have speaking opportunities before large audiences. Exhibitors' job opportunities will be advertised on the DASC 2021 website, reaching outstanding graduate students and all delegates who attend DASC 2021 thereby creating onsite interview opportunities.
